

Respected Sir/Madam

Subject : Restoring of Class 6 to 10 examination scheme with effect from the Academic Year 2017-18

According to CBSE new guideline, in class 10 the board examination from Academic Year 2017-18 and onwards would be conducted as per the remodeled assessment structure explained in Circular no : Acad-05/2017 released on 31/01/2017.

The CBSE affiliated school for the purpose of uniformity in classes VI to IX may, replicate the same assessment model as described in CBSE Circular no : Acad-05/2017 (available on CBSE official website) for class X for Academic Year 2017-18.

According to this new model, we created the examination structure in our Report Card software.

Software examination scheme and new examination model report card attached with this latter.

Features of our Software :

(i) Report Card Management : You can manage Student Data, Staff Data, Exam Time Table, Subject wise Syllabus. It is user friendly. We can customize class wise different marking structure and reports in this software according to your need i.e. Class Nursery to UKG, Class 1 to 5, Class 6 to 10 and Class 11,12

(ii) Fees Management : You can manage Student Fees, Bus Fees, Hostel Fees, Any additional Fees. Fees automation is also available.

(iii) Attendance Management : You can manage Student Attendance and Staff Attendance through id card scanning machine, Generate Monthly and Term-wise Attendance report, Give SMS to parents regarding absent or present status of students

(iv) Library Management : You can easily manage the whole Library. Check the reports of issue books, return books, fines etc. Library automation is also available.

(v) Exam Paper Management : You can create and manage Class wise various types of exams. Exams can be create with both automatic and manual system. In automatic system you can create randomly question paper and also create question wise various sets of the same paper.

(vi) Digital Wallet : You can online manage Homework, Graphical Performance of Students, School Notice, Teachers Notice, Holidays List, Leave Application, Student Attendance, Student Report Cards softcopy, Student all dues and paid Fees. Digital Wallet is link with our academic and fees software. So with one click Profiles, Attendance, Performance, Fees data etc. synchronize in Digital Wallet. In the wallet you can create online subject wise exam.

Our software is available in very affordable prices.

For demonstration or cotation of our software mail us at: info@psadigitalindia.com or call us at: **9887090965, 9887090968**

Thanks and Warm Regards,
Team

Working and Advantage of our Software:

According to new CBSE guideline of examination model from class 6 to 10, examination model look like :

S. No.	Subjects	Periodic Test				NoteBook (5) & Project (5) (B = 10)	Total (A+B=20)	Annual Exam (C=80)	Grand Total (A+B+C=100)	Grade
		PT1 (10)	PT2 (10)	PT3 (10)	Avg. of Best 2 PT (A = 10)					
1	ENGLISH									
2	HINDI									
3	MATHEMATICS									
4	SCIENCE									
5	SOCIAL SCIENCE									
6*	Additional Language									
6*	Additional Subject	Practical Exam :		Annual Exam :		Grand Total :		Grade :		
Total Max. Marks : 600		Total Marks Obtain :			Percentage :		Overall Grade :			

6* (6th Subject) : In 6th Subject students can choose any one subject from Additional Language's and Additional Subject's

Additional Language : Sanskrit, Urdu, Punjabi, Tamil, Telgu, Jerman, French etc.

Additional Subject : Home Science, FIT/ICT, Elements of Business, Elements of Book keeping and Accountancy, e-Publishing and e-Office (English or Hindi), Painting, Carnatic Music, Hindustani Music, NCC

According to new CBSE assessment structure explained in Circular no : Acad-05/2017, there are marking scheme changes in Additional Languages and Additional Subject.

According to this Average of best two PT's 10% score + 5% score from Notebook Submission + 5% score from Projects and Activities = total 20% score

This total 20% score will be add with 80% score of Annual Exam.

How to our software Work :

For Hindi, English, Mathematics, Science, Social Science and Additional Language :-

You can conduct any of the Max Marks test, exam or project, after that when you entering obtain marks in software then our software automatically calculate the score as per new model and will give you accurate results.

For example :

Periodic Test (PT's) : If you conduct any subject's three Periodic Test of Max. Marks 50 then our software compare best two score of subject's then calculate the average and after that calculate the 10% score that will go for final marks submission.

Notebook Submission : If you decide to give notebook submission marks from 10 or 20 then after the enter these marks in software, it will calculate the 5% score that will go for final marks submission.

Project and Activities : If you decide to conduct 10 marks 3 projects in a year in subject's then we will create the project's scheme according to you. Now in software periodically just fill the obtain marks of student in each projects of 10 marks after that software will calculate the 5% score that will go for final marks submission.

Annual Exam : If you decide to conduct 100 marks of Annual Exam, then after enter the students obtain marks in software , it will calculate the 80% score

So you can conduct any marks of test, exam, notebook submission, project & activities our software accurately calculate the score according the examination scheme and create students Report Card and all types of Reports.

For Additional 6th Subject :- If students choose any of the Additional Subject for 6th subject then after the assigning the subject's to students in software, the subject's marking scheme automatically assign to student and after that just fill the obtain marks for Practical Exam and Annual Exam. After that software automatically calculate and create Reports and Results Sheet

Our software is vary user friendly. At a same time many no of users can access our software from all computers available in schools and do their work.
